Alan,

Nothing more limiting to the beleaguered agency than April 1, 2014!

That was at least my proposal. It was, for some reason, not immediately accepted.

Put differently, I have not heard from NPCA regarding EPA's request, but there is a call scheduled later today for us to discuss. I'll be back in touch as soon as I hear.

Hi Alan,

Guardians is amenable to a short extension on the WY Regional Haze Rule, until December 20. Although we understand staff vacations, this extension should compensate for the 16 days lost to the

shutdown.

Thanks,  
Ashley
